

OUR STORY

Welcome to The Dutch Barn, our seventy-year-old grain store that we have recently converted on our family farm near Salisbury in Wiltshire. As the 5th generation on the farm we have been working to restore the old and unused buildings, The Dutch Barn being the latest conversion.

With Barney doing a large amount of the build by himself, the project really has been a labour of love and no detail has been overlooked. We offer a space for a range of functions such as parties, conferences, exhibitions, fundraisers, wellness retreats and much more. It is a beautiful venue fit for all your needs and we would love to host your event here soon!
